How to Clean your Bird-Feeders
to prevent the spread of avian illnesses and disease

Generic Bird-Feeders
- Empty the contents of the feeder (do this daily for bird baths)
- Scrub with 9:1 solution (use gloves!)
- Rinse WELL
- Let dry completely
- Set up and enjoy the birds at your feeder!
- Repeat DAILY if disease is present, every 2 weeks if disease is not present

Hummingbird Feeders
- Empty the contents of the feeder (do this daily for bird baths)
- Scrub with 9:1 solution (use gloves!)
- Rinse WELL
- Let dry completely
- Set up and enjoy the birds at your feeder!
- Repeat DAILY if disease is present, every 2 weeks if disease is not present

9 parts water          1 part bleach
9 parts water          1 part vinegar
